

Where we serve

Immanuel has 18 active independent living, assisted living, memory support, and long-term care communities on 11 campuses, and three PACE® locations serving 18 counties in Nebraska and Iowa.

- **55 Plus Active Living**
Communities specifically designed for independent and active individuals looking for maintenance-free retirement living.

- **Independent Living**
For active individuals looking for relief from the stress of home maintenance.
- **Assisted Living**
For individuals who need a helping hand with the activities of daily living.
- **Memory Support**
For individuals needing care for symptoms of Alzheimer's or other forms of dementia.
- **Care Communities (Long-Term Care & Skilled Nursing Care)**
For individuals who require more complex 24/7 medical care.

- **Classic Courtyards (Affordable Housing)**
For individuals who live with a limited income through subsidized housing.
- **Thrive Wellness Centers**
For people 55 and older who want to keep their bodies moving and minds sharp.
- **Immanuel Pathways PACE®**
For participants who have a nursing home level of care and would like to remain living in their own homes.

**Managed by Tabitha Health Care Services.*

***Bloom at Lakeside is developed through collaboration of SRE Companies, Malibu Homes, Berkshire Hathaway, and Immanuel.*

Retirement living and senior care

At Immanuel, we believe retirement living should feel like home — personal, secure, and enriching. Driven by our faith, we prioritize people over profits, striving to understand residents' and participants' aspirations and make them a reality in our welcoming communities and centers. With our rich history and innovative approach, we set the standard for retirement living and senior care.
