

# Pacific Springs

The one thing that strikes any visitor to Pacific Springs is the abundant space. And we're not just talking about the 18-hole golf course. The choice between a cozy apartment or larger patio homes, the wide lawns and beautiful lake, the spacious community areas all give the feeling of a large resort. Here you can enjoy the privacy of personal space, along with access to a community. Pacific Springs is home to independent living patio homes and apartments, assisted living and memory care. Rest assured that if your health needs change, we'll be there to support you.

And when you do explore the world outside of the community, you'll discover that shopping, banks and even health care services are just blocks away. The living space you need to call home. The location you need to live a fulfilling life outside of our community. That's what Pacific Springs is all about.

## Carson's Public House

A contemporary, yet relaxed new restaurant offers American fare with a modern twist, featuring a hearth oven and wide variety from burgers to pizza, spirits and more. This eatery offers an enriching sports simulator. The name is a nod to Nebraska-native Johnny Carson, known for his welcoming laughter and infectious spirit.

## Cast Iron Grille

Traditional classics and re-invented favorites can be found at the Cast Iron Grille, a modern, chic dining experience. Here, dining options are familiar, yet unexpected, where extended family share memories, new friendships blossom, and where there's always a table waiting for you.

## The Market

The Market is open 24 hours a day, seven days a week, with grab-and-go household and grocery items. Every day conveniences available for purchase onsite.

## Main Lobby

A bright and welcoming space opens to the heart of Pacific Springs where friendly faces, new friends and neighbors are just the beginning. Beautiful views and experiences, both inside and out.

## Community Room

A spacious location where residents and staff can gather for larger events like guest speakers, live entertainment, tailgates, town hall meetings and more. The room is fully equipped with state-of-the-art technology making virtual meetings with outside guests and movie nights a breeze.

## Chapel

Designed for connection, the chapel offers a large gathering space for interdenominational worship service, special events and more. Remarkable stained glass illuminates the space with vibrant colors and windows dedicated to a welcoming spiritual experience for all.

## Thrive Wellness Center

Thrive by Immanuel at Pacific Springs is a wellness center for adults 55 years of age or older. With whole person wellness at the core of our programming, Immanuel provides exceptional living experiences for the mind, body and spirit. Thrive encourages residents to lead active lives, build social connections and reinvent retirement.
