

Our Communities

55+ Active Living and Independent Retirement Living
For active individuals looking for relief from the stress of home maintenance.

Assisted Living
For residents who need a helping hand with activities of daily living.

Memory Support
For individuals needing care for symptoms of Alzheimer's or other forms of dementia.

Care Communities (Long-Term and Skilled Nursing Care)
For residents who require more complex 24/7 medical care.

Residential Care
For residents who need higher levels of support than assisted living, but not ready for long-term care.

Thrive Fitness Centers
For people 55 and older who want to keep their bodies moving and minds sharp.
